

11-14-66 2:55 P.M.

Sir: Sorry I could not get these to you soon

and also that I missed you. The fecal count is the important figure; and all are satisfactory.

Sample area #10

LAKE PAPAKECHIE

July 14, 1966

I will want to take another look at. Thanks, Sherman

any question call Warsaw 267-7315

Sampling Station
